To Whom It May Concern

Design, Supply, Installation, Engineering, Testing & Commissioning of The
Building Management System for HarbourFront One and Two

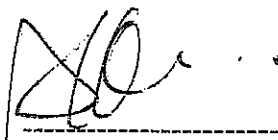

M/s Quantum Automation Pte Ltd was engaged by Samsung Corporation as the Sub-contractor for the Building Management System for HarbourFront One and Two project.

Samsung Corporation is satisfied with the technical capabilities and experience of Quantum Automation exhibited for this project. We appreciate the dedication, commitment and quality of work put forward by Quantum Automation to ensure that the system implemented fulfilled the design requirements of the owner and consultant.

We wish them all the best in their future endeavours.

Yours faithfully

SAMSUNG CORPORATION

Sam Tai Wai
Deputy Project Manager
